

StreetFair Parade Participation Form

Saturday 2 September 2017, Chatswood CBD

Applications close Friday 30 June 2017
General Information

The annual Chatswood StreetFair is the showcase event of the Willoughby Emerge Festival that attracts thousands of people from across Sydney.

A major highlight of StreetFair is the large community parade. Last year, the parade had over 800 participants and included vehicles and floats, celebrating the artistic talent and community spirit of the Northern Sydney Region.

The procession bursts with dynamic colours, striking costumes and entertainment that bring together the diverse Willoughby community. It is a celebration of our strengths through sport, culture, the arts and the environment.

The parade is a great experience for participants and onlookers alike with performances from drummers, dancers, musicians and theatre companies. These groups, as well as sporting and community services groups, use the parade to promote themselves as it weaves its way along Victoria Ave down to Chatswood Chase.

Other Activities

In addition to the parade, StreetFair will have more than 100 fete stalls selling food, clothing, gifts, jewellery, community information services and many more. There will also be entertainment areas with dance and music performances, interactive activities and film screenings.

Parade Entry

Council suggests that your group wear traditional costumes or uniforms. Use your existing banner or carry a sign provided by Council to identify your group.

An announcer will introduce each group in the parade throughout the route and groups are encouraged to have music accompanying them. Council can provide a small PA system on wheels.

Parade Route

The parade assembles in Chatswood on Endeavour Street. It starts at 10.30am sharp and continues until approximately 11:30am. It ends on Bertram St. A map of the parade route will be sent with the parade information pack containing further details.

Parade Group Leader

Each group is required to provide the contact details of their parade group leader. A group leader briefing may be held in the lead up to the StreetFair to discuss logistics and safety.
