

BE PREPARED IN AN EMERGENCY

Willoughby Emergency Management Plan

Willoughby/Lane Cove Local Emergency Management Plan

In the event of an emergency, residents in the Willoughby local government area are covered by the Willoughby/Lane Cove Local Emergency Management Plan. This plan is produced by the Local Emergency Management Committee made up of representatives from councils, NSW Police Force, Fire & Rescue NSW, the State Emergency Service (SES), and other local organisations.

For more information, or to view the full plan, visit:
www.willoughby.nsw.gov.au

SHELTER

- Stay inside
- Close all doors and windows
- Turn off and block all air-conditioning vents

STAY INFORMED

- Check local radio, television or electronic media
- Evacuations are a rare occurrence; await official notification by emergency services

PREPARE

- If evacuation is necessary this is announced by NSW Police, Fire and Rescue NSW, SES & the Ambulance Service. They will also instruct you on the safest location.
