7 MAYORAL MINUTE

7.1 MAYORAL MINUTE – THE LATE JOCK ARNOLD

MEETING DATE: 24 JULY 2017

Purpose of Report

To consider the Mayoral Minute on the passing of John Peter Allan (“Jock”) Arnold.

MOTION

Jock Arnold passed away on 4 June 2017, aged 72 years. A resident of West Chatswood, Jock was born and grew up on the North Shore and spent most of his life there.

He was involved with Willoughby Council elections. He enjoyed it and became an adept campaigner.

Jock was a sixth generation Australian and a direct descendant of Dame Flora McCloud of the Skye Clan McCloud in northern Scotland. He was particularly proud of the Scots connection, although he never managed to get there. The family also claimed lineage from Matthew Arnold of Rugby which, as a great football fan, pleased him enormously.

Jock worked as an insurance and reinsurance broker and was involved in major projects such as the harbour Tunnel. In his early working life he spent time in Germany, Switzerland and New York.

He was an accomplished yachtsman, rower, surfer and skier. He competed in yacht races for many years. Although asked many times to race in the Sydney Hobart, he always said “you turn left at the Heads, not right”!

Jock will be sadly missed by his family, friends and by everyone who knew him.

RESOLUTION

That Council adopt the Mayoral Minute on the passing of Jock Arnold and write a letter of condolence to the family.

MOVED COUNCILLOR GILES-GIDNEY

RENEWAL OF LICENCES FOR THE PROVISION OF CHILD CARE SERVICES AT 45 ORCHARD ROAD CHATSWOOD AND WILLOUGHBY PARK CENTRE - CONFIDENTIAL

RESPONSIBLE OFFICER:	PETER CONROY - PLANNING & INFRASTRUCTURE DIRECTOR
AUTHOR:	DAVID DI BIASE – PROPERTY AND CONSTRUCTION SERVICES MANAGER
CITY STRATEGY LINK:	4.1.1 PLANNING, MAINTENANCE AND OPERATION OF INFRASTRUCTURE
MEETING DATE:	12 SEPTEMBER 2016

REASON FOR CONFIDENTIALITY

This report is **CONFIDENTIAL** in accordance with Section 10A(2)(d) of the Local Government Act 1993, which permits the meeting to be closed to the public for business relating to the following: -

- (d) commercial information of a confidential nature that would if disclosed:
 - (i) prejudice the commercial position of the person who supplied it

Purpose of Report

To obtain Council's consent for the renewing of the licences for the provision of child care services at Council's facilities located at:

1. 45 Orchard Rd, Chatswood
2. Willoughby Park Centre

Background

The leases for Council's pre-school facilities at 45 Orchard Rd and the Willoughby Park Centre have become due for renewal. It is proposed that the new leases will be for 5 years with a 5 year option.

The Willoughby Park Centre is located on Crown Land and as such requires an expression of interest (EOI) process to be undertaken before Council may enter into a lease with a service provider for the facility. Although not strictly required in the case of the facility at 45 Orchard Rd, being on Operational Land, the facility was also included in the EOI to ensure a thorough testing of the market.

An advertisement was placed in Tenderlink on Tuesday 28 June 2016 seeking tenders from suitably qualified and experienced companies to provide childcare services from the two (2) facilities.

A compulsory site inspect of both facilities was held on Wednesday 6 July 2016, four (4) providers attended the inspection.

The tender period was extended by an additional two (2) weeks at the request of Tenderers, to allow a more thorough response, as a number of the parent committee members were away on holiday at the time.

The tender closed at 11am on Wednesday 3 August 2016 – one compliant tender was received:

- Chatswood Occasional Child Care Incorporated – expressing an interest to provide child care services at the 45 Orchard Rd facility.

A late tender was also submitted via the Help & Service counter by the East Willoughby Pre-School. As the tender was late and was not submitted in accordance with the tender instructions, it was deemed a non-conforming tender and was returned to the East Willoughby Pre-School.

No other submissions were received to provide child care services from the Willoughby Park Centre facility.

Financial Implications

The proposed lease fee of [REDACTED] per child per day is further to Council’s resolution, at its meeting of the 9 September 2013, wherein it resolved that:

‘Council note that when future expressions of interest are called for the ongoing child care services at these premises, that Council advise all organisations submitting an offer that an expected licence fee equating to [REDACTED] per child per day for not for profit groups be sought.’

The proposed yearly licence fee for the 45 Orchard Road facility, based on an operation of 49 weeks per year and a maximum number of 28 children (per DEC licencing), is [REDACTED] per annum. Currently the licence fee is [REDACTED] per annum.

The proposed yearly licence fee for the WPC facility, based on an operation of 49 weeks per year and a maximum number of 20 children (per DEC licencing), is [REDACTED] per annum. Currently the licence fee is [REDACTED] per annum.

Discussion

Tender Assessment – 45 Orchard Rd Facility

The submitted tender was evaluated against the following criteria:

Item	% Assessment Value
1. Status & Experience of the Provider <ul style="list-style-type: none"> • Approved Provider (Education and Care Services National Regulations) • Existing provider of local service. • Relevant experience and qualifications to obtain a provider approval 	[REDACTED]
2. Staffing <ul style="list-style-type: none"> • Qualifications and experience of proposed educational and support staff. • Staff to child ratios. • Evidence of ongoing professional development of staff 	[REDACTED]
3. Types of Providers	

<ul style="list-style-type: none"> • Private not for profit – community managed (local Incorporated Association managed by a parent committee) – score 10 • Other not for profit provider – other organisation (for example, YMCA, PCYC) – score 7.5 • Private for profit provider – score 5 	■
<p>4. Financial Viability</p> <ul style="list-style-type: none"> • Evidence provided to demonstrate financial viability to provide the service. 	■
<p>5. Insurances</p> <ul style="list-style-type: none"> • Evidence of Proponent holding appropriate levels of insurances ie public liability, worker's compensation, contents insurance etc. 	■
<p>6. Quality of Educational Programme</p> <ul style="list-style-type: none"> • Level of compliance of Proponents educational programme with the Education and Care Services National Regulations seven (7) Quality Areas 	■
<p>7. Children's Health and Safety</p> <ul style="list-style-type: none"> • Quality of proponents health and safety documentation and processes 	■

Their submission was found to be fully compliant, having provided all information required by the tender documentation and have the appropriate Department of Education and Communities (DEC) licencing to provide child care services from the facility.

Chatswood Occasional Child Care has a history of the successful provision of child care services at 45 Orchard Rd and have not defaulted in the payment of their rent. Chatswood Occasional Child Care was the only organisation to submit an EOI for 45 Orchard Rd.

Willoughby Park Centre

No conforming tenders were received for the provision of child care services at the Willoughby Park Centre facility.

East Willoughby Pre-School, a not for profit organisation, has been operating at the Willoughby Park Centre (WPC) for over 75 years and is well known and respected by the local community.

Further to the long association of the East Willoughby Pre-School with the WPC and since no other submissions to provide child care services at the facility were received, it is proposed that Council officers enter into negotiations with the East Willoughby Pre-School with view to reaching an agreement for the lease of the facility, in accordance with the tender conditions.

Such negotiations are allowed under Section 178(3)(e) of the Local Government (General) Regulations 2005.

Verbal advice received from Crown Lands is that they do not foresee any issues in providing their approval of the lease should Council undertake the proposed negotiations. Council is awaiting written confirmation of Crown Lands' verbal advice.

A further report will be presented for Council's consideration detailing the outcome of the tender negotiations with the East Willoughby Pre-School.

Conclusion

45 Orchard Rd, Chatswood

In consideration that Chatswood Occasional Child Care Incorporated having submitted a compliant tender and due to **their track** record of successfully providing child care services at the facility, it is proposed that Council enter into a licence agreement with the Chatswood Occasional Child Care Incorporated, in accordance with the EOI conditions.

Willoughby Park Centre

There being no other submissions received and in recognition of the East Willoughby Pre-School's long association with the facility, it is proposed that Council officers enter into negotiations with them with view to entering into a licence agreement for the provision of childcare services at the facility.

OFFICER'S RECOMMENDATION

That Council:

- 1. Accept Chatswood Occasional Child Care Incorporated's tender submission for Council's 45 Orchard Rd, Chatswood facility and enter into a licence agreement for a term of 5 years with a 5 year option.**
- 2. Authorise Council officers to undertake negotiations with the East Willoughby Pre-School with view to reaching an agreement for the lease of the facility in accordance with the tender conditions AND that a further report be presented for Council's consideration detailing the outcome of the tender negotiations.**
- 3. Provide the mayor and General Manager with delegated authority to execute the licence agreements under the Common Seal of Council.**

RESPONSIBLE OFFICER:	DEBRA JUST – GENERAL MANAGER
AUTHOR:	DEBRA JUST – GENERAL MANAGER
CITY STRATEGY LINK:	4.2.2 BALANCE TRAFFIC MANAGEMENT
MEETING DATE:	24 JULY 2017

Purpose of Report

Councillor Rozos has indicated his intention to move the following Notice of Motion:

Procedural Motion

That the following people address the meeting:

- **Dr Branwen Morgan**
- **Tanya Taylor**
- **Harley Kruse**

RESOLUTION

That Council write a letter to The Hon. Melinda Pavey MP, Minister for Roads, Maritime and Freight strongly opposing the RMS' proposed new and extended clearway changes to Eastern Valley Way from the Sailors Bay Rd intersection to Clive St, Roseville Chase, which would be in effect Monday – Friday from 6am-7pm and Saturday – Sunday and Public Holidays from 9am-6pm, on the grounds of lack of evidence for an improvement in traffic flow, loss of access to public amenities, decreased safety for residents associated with increased speeding, and the need for properly-funded infrastructure solutions that will better balance the rights of residents and motorists and better serve the long-term strategy of Transport for NSW.

The letter should include that the RMS investigate the effects of higher parking demands on the adjoining side streets, its impact on visitor and trades-person parking, impact on waste collection operations, and extra parking between Victoria Avenue and Smith Street on the western side and any maintenance of road pavements by Council that would have to be undertaken outside of clearway restricted times. Taking into account that the 2015 study was only taken in Smith Street intersection and is out of date and not relevant.
