

WLC Changeroom Refurbishment December 2017 through to March 2018

The Willoughby Leisure Centre **total redevelopment of all changerooms** - including upper and lower female, male and family areas - is well underway. We apologize for any inconvenience or interruptions the works may have caused, but at the same time we are excited about providing new and improved facilities upon completion. **It is anticipated that all main changerooms will be closed until the end of March while the works are finalised.**

Minimal changes

Alternative arrangements are in place to reduce disruption to our services and facilities.

Demountable service changerooms and toilets are available in the courtyard adjacent to the pooldeck area.

Please note there is reduced availability to change and toilet facilities while these building works are in progress. We ask patrons who live relatively close to consider or allow for showers and changing at home.

Project details

| | |
|------------------------|--|
| 1 February 2018 | Construction and building work continues with tiling to start in early February. Fit-out will commence when tiling is completed. |
| End March 2018 | Anticipated completion of the new facilities. |

Accessible Change Rooms

At present only one temporary accessible toilet facility is available in the courtyard.

There is no accessible shower facilities.

Noise

Please note there may be some incidental noise due to the building and tiling work during February.

Contractors are endeavouring to ensure there is minimal noise to avoid impact to members, patrons, visitors, guests and casual users.

Classes and programs as normal

Group fitness classes have been running as normal. There may be some occasional building noise and hopefully this does not cause too much interruption to members, pass holders and casual users.

Time Stop: **NO FEE** charged for Time Stops or Membership on hold.

During the refurbishment period members can access the *time stop service with no charge*.

Enquire at the Customer Service desk to obtain a *Time Stop Form*.

All staff are on hand - Ask if you have a question or require assistance!

All staff will be on hand to assist, advise and answer any concerns or questions. Members pass holders and casual users can find details, an image gallery and monitor progress of the redevelopment on our website - **www.willoughbyleisure.com.au**.

Please direct any questions or concerns to the staff on duty in person or via email at leisure@willoughbyleisure.com.au
