ACTIVITY	DESCRIPTION
MOVIE DAY	BYO pillow, beanbag or cushion and get settled in for our in house movie screening! In the morning we'll play some fun games before taking time out from any hectic activities to lie back and enjoy the movies as we screen a popular PG movie. After lunch we will be jumping in the pool for the inflatable obstacle course and some water games.
CARTOONING	We invite you to come on a journey filled with creativity and challenges where kids will meet fun characters while designing their own heroes. In this program, there are no erasers because there are no mistakes! A fun and comprehensive workbook is provided along with pencils and all other required equipment. We will also play a bunch of fun games and activities before jumping in the pool for the inflatable obstacle course.
BRICKS 4 KIDZ	Let the Kids get creative! With specially designed project kits and theme-based models to build. You will work in groups to complete models and the entire group works to complete a large scale project. A session where kids can develop their curiosity and creativity, while also having fun and socialising in a non-competitive environment. After lunch we will then be jumping in the pool for some games and the inflatable!
WILLIS MULTI SPORT	Head down to The Willis where we will enjoy a fun filled day of tennis, futsal and a number of other sports! Bring your tennis racquets & soccer balls and spend the morning playing skill based games, mini tennis & fun activities. After lunch we will head to the Futsal courts for an afternoon of fun soccer activities including shooting, ball skills, & speed games. Please note: Pick up and drop off is at Willis Multi Sports Centre (325A Eastern Valley Way, Middle Cove)
WET 'N' WILD	Start the day with organised games and activities, then off to the pool! Jump into the pool and spend the day climbing through the inflatable obstacle course, having noodle races, playing pick-up games and more!
SKATER HQ	Whether you are into skateboarding, scooting, or blading the experienced coaches from Skater HQ will ensure that you have a blast! All the equipment is provided for you (except mouthguards) but if you have your own gear, feel free to bring it. Protective gear must be worn for your safety. After lunch we will be jumping in the pool for the inflatable obstacle course and some water games.
TAEKWONDO	Little Tigers Taekwondo will bring their program designed and catered for children to WLC. In a fun and safe environment you will join in activities like learning how to kick, basic self-defence skills and plastic board breaking. After lunch we will be jumping in the pool for the inflatable obstacle course and some water games.
NINJA WARRIOR BOOTCAMP	This bootcamp-style program brings the excitement from the popular Ninja Warrior series to WLC! The Ninja Warrior Bootcamp incorporates obstacle courses and games to test endurance and ability with a specific focus on fun rather than competitiveness. Activities incorporate bodyweight exercises to test stability and stamina while improving strength and physical fitness that will help prepare the next generation of Ninja Warriors! After lunch we will be jumping in the pool for the inflatable obstacle course and some water games.
